Manayunk, by joining us at
Twisted Gingers, 4317 Fleming St.**

Stairway Connecting Upper and Lower Levels of Dupont Street at Silverwood Street. 1932

You know your neighborhood is under regular threat of over-development. Your neighborhood civics – MNC and CRCA – need your support to be able to push back against projects no one wants to see except the people making money from them. You can help by coming out to this fundraising event at the neighborhood's newest nano brewery and pub. Brewer Mark will be cooking up a special beer just for us and will be donating a portion of sales.

**Tickets are \$20 and include a Name The Beer contest, 50/50's,
a most excellent buffet and whatever else we can think of.
Tickets can be purchased online www.manayunkcouncil.org/twistedgingers
or at the door. See you there!**
