Spring Cleanup

APRIL 6TH, 2024

Philly Spring, Clean Up event, is a large-scale initiative aimed at uniting our community stakeholders to participate in neighborhood beautification projects.

The event will bring together Patrol Districts across the city, each adopting a specific location, block, or playground within their respective areas, in an effort to support community cleanup endeavors. Participation in this event is crucial, we all know the way to a safer city is a cleaner one for all residents.
